

Attention Parents & Girls

A popular girls' program is returning to Stanley County Elementary!

Girls on the Run inspire girls to be joyful, healthy and confident using a fun, experience – based curriculum which creatively integrates running! The program aims to enhance self-esteem and confidence by teaching young girls about positive thinking and being a good friend, practicing healthy decision-making and standing up for oneself, addressing gossiping and bullying, understanding diversity and giving each girl a sense of connection to her community and world.

At the end of the season, the girls complete a 5K with all of the other girls participating in the Sioux Empire. By completing this 5K, it gives them a tangible sense of achievement as well as a framework for setting and achieving life goals. The result – making the seemingly impossible, possible, and teaching girls that they can.
